

Pam Pietruszewski, MA

Integrated Health Consultant, National Council for Behavioral Health

Pam Pietruszewski is an Integrated Health Consultant with the National Council for Behavioral Health. She works with leaders and staff in mental health, substance abuse, and primary care organizations as well as state and local governments to design and implement integrated care initiatives.

Pam is the clinical lead for the Hilton Foundation's Reducing Adolescent Substance Abuse Initiative and the project director for the Minnesota Practice Facilitation Project.

She is a Motivational Interviewing trainer and is listed in the National Registry of SBIRT Trainers from the Addiction Technology Transfer Center (ATTC) Network established by the Substance Abuse and Mental Health Services Administration (SAMHSA).

She has authored several papers on care management for depression and risky substance use and she holds a master's degree in counseling and psychological services from St. Mary's University in Minnesota.
